Thank You and Welcome

I am so glad you made the decision to join me for this 21 week Bible study program. My goals for this bible study are three-fold:

1. Present the main characters of my book showing the different trials/temptations that they endure.
2. Introduce Biblical characters that had similar trials/temptations as the book characters and their outcomes.
3. Give my personal testimonies of healing from mental, physical, and financial trials/temptations.

Each week, the study guide for next week will be sent to your email. The study guide will include an excerpt from one main character from my book **When There Is H.O.P.E. (Healing Overcomes Painful Events)**; reflection questions from the book character, and the Biblical character(s).

I will read the excerpt from the novel as the Holy Spirit leads me to share my testimony. I will use the Message translation for the Old Testament scriptures and the Passion translation for the New Testament scriptures. I will also share questions and comments that I receive from my email. Please email any questions or comments to EvangelistAlfred@outlook.com.
