DANIELLA, HANNAH, AND THE SHUNAMMITE WOMAN

Daniella found Hope in the medical technology needed to assist her in conceiving a baby. This excerpt shows her seeking a miracle for barrenness through prayer.

Daniella and I had lunch together at least once a month. It was now a year after her surgery and Daniella still wasn't pregnant. At lunch she said, "Dr. Kirk had suggested several options of fertilization. Andre had also told me that we could adopt one of the little girls that had been rescued from sex trafficking. He told me that we both had a lot of love to give."

I told Daniella, "There is also another option."

"What is that?"

I explained that Pastor Redding was having a guest speaker, Pastor O'Brien, on Sunday and that he had a gift of healing from God. I told her how several members had given their testimonies about their healings. One woman had two miscarriages and, after Pastor O'Brien prayed for her, she became pregnant within a month and now has twin boys.

When Pastor O'Brien asked for all the women who were having infertility issues to come up for prayer, Daniella went up to the altar with tears running down her face.
